## GOOD FAITH AND CANDOR LETTER REGARDING PATENT TERM ADJUSTMENT

The Applicant respectfully notes that the patent term adjustment calculation appears to award an excessive term adjustment to the Applicant. The Applicant submitted an Appeal Brief on September 1, 2005 and a Substitute Appeal Brief on November 21, 2005. The Applicant believes that this would reduce the patent term adjustment calculation by 81 days.

The Applicant respectfully requests correction of the patent term adjustment calculation, as well as an opportunity to review any new patent term adjustment calculation.

The Commissioner is hereby authorized to charge any fees connected with this communication or credit any overpayment to Deposit Account No. 50-0208.
